Little NF Salmon River		INTERMEDIATE	2.3				
Methodist Creek		EASY	2.4				
Nordheimer Creek		EASY	1.8				

Mortalities (as reported in notes and mortality sheets)

- No mortalities reported

Other

* Large resident trout reported by experienced surveyors. Reaches with lesser experienced personnel may have reported higher numbers of half-pounders, many of which were likely residents.

* Index reaches - two crews did not remember to separate out index reaches. Chinook totals could be recovered based upon splits used, but not steelhead.
